

# HEALTHY IMMUNE III<sup>†</sup>

A DIETARY SUPPLEMENT

**Healthy Immune III<sup>†</sup> is a dietary supplement that helps promote the balance of intestinal micro flora in support of healthy G.I. function and comfort.\***

**Healthy Immune III<sup>†</sup>** is highly concentrated. It provides 45% polyphenols. Polyphenols help support healthy microbial and fungal balance within the gastrointestinal tract.\* They assist the body in maintaining healthy bacteria in the G.I. tract while helping the body expel unwanted microorganisms like bacteria, protozoa and fungus.\*

A preliminary clinical trial reported that grapefruit seed extract supplements helped support healthy G.I. function and comfort. An in vitro study using human skin fibroblast cells indicated that grapefruit seed extract promoted healthy gram-positive and gram-negative balance. Other studies support these findings, citing that grapefruit seed extract promotes a healthy environment when exposed to a wide range of bacterial biotypes.\*

**Healthy Immune III<sup>†</sup>** also contains a natural complement of antioxidant bioflavonoids that help reduce the hazardous effects of free radicals.\*

**Healthy Immune III<sup>†</sup>** is alkaline in nature which helps balance the body's pH which helps to control pathogens as they cannot thrive in alkaline environment. \*

**Healthy Immune III<sup>†</sup>** supports the immune system and preserves the integrity of intestinal bacteria.\*

## **Healthy Immune III<sup>†</sup> is:**

- Highly concentrated
- Vegetarian
- Gentle

## **Supplement Facts**

### **Serving Size 1 Vegetarian Capsule**

#### **Each Serving Contains**

Grapefruit (Citrus paradisi) Seed Extract (Standardized to 45% polyphenols)	400 mg
--	--------
